EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT 2013 READ WITH THE RELEVANT RULES

As required under the provisions of Sections 102(1) and 110 of the Act the following Explanatory Statement sets out the material facts relating to the special business as set out in the appended Notice:

Item No. 1

Approval for sale and transfer of the Instamart Undertaking of the Company to an indirect wholly owned subsidiary of the Company:

Objective & Rationale:

In FY 2024-25 the quick commerce business of the Company under brand name ‘Instamart’ witnessed a phase of rapid expansion. In Q1 of FY 2025-26, Instamart continued to accelerate and clocked 108% YoY growth in gross order value. This period also saw Instamart grow out of the shadow of the food delivery business of the Company, as a standalone brand with its gross order value and user-base at over 2/3rd of food delivery business.

As part of its strategic review, the Company continued to explore and evaluate options for streamlining operations to support its growth momentum. To drive continued growth and achieve greater focus in building out this segment, the Company now proposes to transfer its Instamart business, along with all relevant assets, liabilities, permits and licenses, records, intellectual property, employees and contracts (“**Instamart Undertaking**”) to ‘Swiggy Instamart Private Limited’, an indirect step-down wholly-owned subsidiary of the Company incorporated in India (“**Purchaser WOS**”), as a going concern through a slump sale (as defined under Section 2(42C) of the Income-tax Act, 1961) (“**Proposed Transfer**”).

The Company aims to develop a focused, efficient, and strategically aligned corporate entity for the long-term development and performance of the Instamart business along with enhanced flexibility in deployment of resources.

The Board evaluated various restructuring options and after careful review of commercial and regulatory aspects and considering that the same is with the step-down subsidiary, the slump sale route was found most suitable.

Basis of Price/ Consideration:

The Board also noted that the lump sum consideration payable by the Purchaser WOS to the Company for the Proposed Transfer shall be the book value of assets and liabilities of the Instamart Undertaking determined as on the effective date of the Proposed Transfer. The effective date of the Proposed Transfer will be after the expiry of the third quarter of FY 2025-26, as may be determined by the Board. For reference, the book value of the Instamart Undertaking as on 31 March 2025 based on audited financial statements for FY 2024-25 is INR (2,976.66) Million.

The consideration to be received by the Company for the Proposed Transfer will be utilized towards its normal course of business operations.

Key aspects of the BTA:

The Proposed Transfer will not have any impact on the Company’s existing business or on the economic interest of the shareholders since the Proposed Transfer is with an indirect wholly owned subsidiary Company. Further, the Proposed Transfer will have no impact on the consolidated financial position and results of the group. To effect the Proposed Transfer, the Company and the Purchaser WOS will enter into a business transfer agreement for the transfer of the Instamart Undertaking (“**BTA**”). The transfer of the Instamart Undertaking will include the following components:

- (a) all financial and non-financial assets and liabilities associated with the Instamart business;
- (b) movable assets associated with the Instamart business;
- (c) contracts executed in relation to the Instamart business;

- (d) the identified employees engaged in the Instamart business;
- (e) identified books, records and registers maintained by the Company in connection with the Instamart business;
- (f) intellectual properties used in connection with the Instamart business;
- (g) identified liabilities; and
- (h) permits and licenses procured in relation to the Instamart business.

The consummation of the BTA will be subject to the receipt of the shareholder's approvals herein, and other customary conditions precedent as set out in the BTA.

The Proposed Transfer will also involve execution of certain ancillary agreements such as shared services agreement between the Company and the Purchaser WOS for the Company to provide certain support services to the Purchaser WOS, intellectual property license agreement and intellectual property assignment agreement between the Company and Purchaser WOS, employee transfer letters/agreements amongst the Company, Purchaser WOS and each respective employee, novation/assignment agreements and such other documents, deeds, writings, documents, letters and agreements as may be necessary, incidental or ancillary thereto.

Rationale for Shareholders Approval

In terms of Section 180(1)(a) of the Companies Act, 2013 ("Act"), approval of the shareholders is required by way of a special resolution to sell, dispose off or otherwise transfer the whole or substantially the whole of any undertaking, which exceeds 20% (twenty per cent) of its net worth as per the audited balance sheet of the preceding financial year; or an undertaking which generates 20% (twenty per cent) of the total income of the Company during the previous financial year. The Instamart Undertaking exceeds the prescribed threshold and accordingly, the Instamart Undertaking is an "undertaking" in terms of Section 180(1)(a) of the Act, and the Proposed Transfer requires an approval from the members by way of a special resolution, in terms of Section 180(1)(a) of the Act.

The Proposed Transfer to the Purchaser WOS, qualifies as a related party transaction under Section 188(1)(b) of the Act and Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). While such transactions require shareholder approval if they exceed the prescribed thresholds, the Act and Listing Regulations provide exemptions from such requirements for transactions between holding companies and their wholly owned subsidiaries, provided their financial statements are consolidated and presented to shareholders at the general meeting. The financial statements of the Purchaser WOS will get consolidated with the Company. Accordingly, the proposed transaction is exempt from the requirement to obtain shareholder's approval under both Section 188(1) of the Act and Regulation 23(4) of the Listing Regulations.

The Proposed Transfer was approved by the Board of Directors of the Company at its meeting held on September 23, 2025, based on the recommendations of the Audit Committee in meeting held earlier on September 23, 2025. The Board is of the opinion that based on the reasons elucidated above, the aforesaid proposal is in the best interest of the Company and hence, the Board recommends [Item No. 1] for your approval by way of special resolution. None of the Directors and Key Managerial Personnel of the Company or their respective relatives are concerned or interested, financially or otherwise, in the above Special Resolution except to the extent of their shareholding interest, if any.

Item No. 2

Approval of Material Related Party Transaction for the sale and transfer of 1,63,990 Series D Compulsorily Convertible Preference Shares and 10 equity shares held by the Company in Roppen Transportation Services Private Limited to MIH Investments One B.V.

Background, objective and key considerations

During the financial year ended March 31, 2023, the Company had acquired 1,99,948 Series D Compulsorily Convertible Preference Shares ("CCPS") and 10 equity shares in Roppen Transportation Services Private Limited ("Rapido") constituting 15.10% on a fully diluted basis for INR 9,505.00 million. Rapido is engaged in providing services as on-demand technology-based transportation aggregator for two-wheelers and four-wheeler vehicles and operates through

the mobile application ‘Rapido’. During the financial year ended March 31, 2025, pursuant to a new round of funding in Rapido, the shareholding of the company stands revised to 12.02%.

The management of the Company periodically reviews the composition of its investment portfolio and as part of its latest strategic review, aims to realize some of the investments of the Company, for the benefit of Company and its shareholders. For this purpose, the Company now proposes to transfer 1,63,990 CCPS and 10 equity shares held by the Company in Rapido (“**Rapido Shares**”) to MIH Investments One B.V., (“**Purchaser**”, and the transfer, the “**Proposed Transfer**”) on such terms and conditions as detailed in the share purchase agreement entered into by the Company and the Purchaser (“**SPA**”), subject to shareholders’ approval and other consents / approvals as may be required, including receipt of the approval of Competition Commission of India (“**CCI**”).

The Purchaser is a company incorporated in the Netherlands, having its registered office at Gustav Mahlerplein 5, Symphony Offices, 1082 MS Amsterdam, The Netherlands. MIH India Food Holdings BV (“**MIFH**”) is a public shareholder holding approximately 23.31% shareholding in the Company as on June 30, 2025, and is a related party of the Company. The Purchaser and MIFH belong to the Prosus group and are under common control. Accordingly, the Purchaser is a related party of the Company, and the Proposed Transfer qualifies as a related party transaction.

Basis of Price/Consideration & utilization of proceeds

The members may note that the consideration payable by the Purchaser to the Company for the Proposed Transfer shall be INR 1968,00,00,000 (Indian Rupees One Thousand Nine Hundred Sixty-Eight Crore only). The consideration is subject to the pricing requirements specified under Rule 21(2)(b)(iii) of the Foreign Exchange Management (Non-Debt Instrument) Rules, 2019, pursuant to which the price for the Rapido Shares should not be less than the valuation of the Rapido Shares (both equity shares and CCPS) done as per any internationally accepted pricing methodology for valuation on an arm’s length basis duly certified by a Chartered Accountant or a Merchant Banker registered with the Securities and Exchange Board of India or a practicing Cost Accountant. The proceeds will be utilized by the Company towards its normal course of business operations.

Rationale for Shareholders Approval

As per Regulation 23 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“**Listing Regulations**”), prior approval of the shareholders is required for Related Party Transactions exceeding the threshold of lower of Rs. 1,000 crores (Rupees one thousand crores) or 10% (ten per cent) of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. The approval is required even if the transactions are in the ordinary course of business and at an arm’s length basis.

The members may note that the Proposed Transfer to the Purchaser, qualifies as a related party transaction under Section 188(1)(b) of the Companies Act, 2013 (the “**Act**”) and Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“**Listing Regulations**”).

The Members are further informed that the value of the Proposed Transfer is an amount equivalent to 11.42% of the annual consolidated turnover of the Company, based on its audited financial statements for FY ending March 31, 2025 and also given that the value of the Proposed Transfer exceeds INR 1000,00,00,000 (Indian Rupees One Thousand Crore only), the Proposed Transfer is a ‘material related party transaction’ under the proviso to Regulation 23(1) of the Listing Regulations.

Therefore, pursuant to Regulation 23 of the Listing Regulations and Section 188 and other applicable provisions of the Act, the Company is required to obtain approval of the shareholders for the Proposed Transfer by way of an ordinary resolution. Further, no “related party” shall vote to approve this resolution irrespective of whether the entity is a related party to the particular transaction or not.

The Proposed Transfer was also approved by the Board of Directors of the Company at its meeting held on September 23, 2025, based on the recommendations of the Audit Committee. The Audit Committee was provided with all relevant information with respect to the Proposed Transfer (including rationale, material terms and justification) as required under

the SEBI Master Circular dated November 11, 2024 bearing No. SEBI/HO/CFD/PoD2/CIR/P/0155 read with the SEBI Circular dated June 26, 2025 bearing No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 along with the Industry Standards on “Minimum information to be provided for review of the Audit Committee and Shareholders for approval of Related Party Transactions” dated June 26, 2025 (“**RPT Industry Standards**”) and the same has been annexed herein as Annexure - 1 for your reference. The Audit Committee has reviewed and taken note of the certificate by the Chief Executive Officer and Chief Financial Officer of the Company, confirming that the Proposed Transfer is in the interest of the Company.

The Board is of the opinion that based on the reasons elucidated above, the aforesaid proposal is in the best interest of the Company and hence, the Board recommends Item No. 2 for your approval by way of ordinary resolution.

Except for Mr. Ashutosh Sharma and Mr. Roger Clark Rabalais (directors nominated by MIFH), none of the Directors and Key Managerial Personnel of the Company or their respective relatives are concerned or interested, financially or otherwise, in this Resolution except to the extent of their shareholding interest, if any.
